Federal Direct Loan Program

Central European University is qualified to participate in the Federal Student Financial Assistance Programs authorized by Title IV of the Higher Education Act (Title IV, HEA Program). **CEU’s Federal School Code is: G40215.**

**Federal Stafford Loan**

The U.S. Government offers Federal Stafford Loan for U.S. Citizens to assist them with their education costs during their studies at a university.

"The Healthcare and Education Reconciliation Act of 2010" made several changes to the federal student aid programs. Beginning July 1, 2010, all new Stafford, PLUS, and Consolidation loans for eligible U.S. students can only be made under the so called Federal Direct Loan Program. In this program the federal loan comes directly from the U.S. Government and not from lenders.

The actual amount that you can borrow is based on the Cost of Attendance (COA) at the University, the Estimated Family Contribution (EFC) that is indicated in the Student Aid Report (SAR) and the Estimated Financial Aid (EFA) from the University and other external resources. The Federal Stafford Loan can only be an unsubsidized loan.

**Based on new regulations in the Direct Federal Loan Programs effective July 1, 2012,** the Department of Education will no longer offer Subsidized loans to graduate students. The annual loan limit for graduate and professional students remains $20,500, but this amount will be limited to Direct Unsubsidized Loan. In other words, you are eligible to take the total of $20,500 *Direct Unsubsidized Loan.*

The **Unsubsidized Loan** is not based on financial need. You are responsible for payment of interest for the full period of the loan. Whilst studying at least half time, or during deferment or grace periods you have the option of paying the interest or having it capitalized and added to the total value of the loan.

**Other Federal Loans**

There are also Graduate PLUS and private loans available in case the Stafford Loan maximum award is unlikely to cover the full cost of the tuition fees. The private, Graduate PLUS loan limit is Cost of Attendance (COA) minus the amount you are awarded as a Stafford Loan.
