Abstracts deadline
NOVEMBER 16, 2009
Dear Colleague,

On behalf of the Organizing Committee it is our pleasure to invite you to the 2nd ELPAT Congress on Ethical, Legal and Psychosocial Aspects of organ Transplantation. This Congress will take place from 17 – 20 April 2010 in the World Trade Center in Rotterdam, The Netherlands.

ELPAT is an interactive European Platform that exchanges information, ideas and experiences by encouraging dialogue and facilitating the European research agenda on Ethical, Legal and Psychosocial Aspects of organ Transplantation.

ELPAT is an official committee of the European Society for Organ Transplantation (ESOT) that was founded during the 1st Congress in April 2007 in Rotterdam, The Netherlands. The objective of the 2nd ELPAT Congress in April 2010 is to expand the European Platform by encouraging continuity and progress in the dialogue on the complex issues of transplantation ethics.

This Congress will give special focus to cross-border issues and the involvement of new EU member states, candidate countries and other European countries in the field of organ donation and transplantation. The Organizing Committee therefore welcomes new topics to be highlighted and discussed through free presentations, workshops and debates with the goal of formulating recommendations for the plenary closing session. The Organizing Committee welcomes ethicists, philosophers, clinicians, lawyers, psychologists and policy-makers in the area of organ donation and transplantation. We also offer a social platform and opportunities for networking through the organization of social and cultural activities. We think that you will enjoy not only our ELPAT Congress, but also the vibrant atmosphere, culinary delights and modern architecture of Rotterdam.

We look forward to welcoming you to Rotterdam.
