How will the role of librarians change and diversify in future academic libraries?

Librarians will take a more central role in terms of providing thematic and technical expertise, cataloging, and facilitating learning, teaching and research.

Come and meet us at the Bibliotheca exhibition at OSA Archivum for training sessions on new resources, such as online bibliographic management software and open access sources.

Date: 22 May from 2:00-4:00 pm. Venue: OSA Archivum/ 2nd floor, Meeting Room 1050 Budapest, Arany János utca 32
