

Policy on Holds

Failure to meet any obligation to the university, including those conditions set forth in the individual's enrollment confirmation form and financial obligations, will result in suspension of access to student services. These include—but are not limited to—issuance of transcripts and diplomas, access to any of the following: the CEU computer network; the CEU Library; medical services; the University Information System (rental accommodation database, matriculation form, class registration); research grants and fellowship stipends. The Policy on Holds will be applied until the obligation is met and the hold is cleared by the respective office.

In some cases this may result in the termination of enrollment.
