

EXTERNAL SCHOLARSHIPS **GLOBAL OPPORTUNITIES**

As an International University we know exactly how hard it can be to get funds for your studies, but we can assist and guide you on this journey. We are here to provide individual assistance to support you in exploring non-CEU related funding sources. We have collected multiple reading materials, scholarship search engines and even some opportunities. Several external funding opportunities are available both globally and regionally. In this brochure, we have collected some of these external scholarship options for you.
