Important reminders:

Deposit: If you must put down a deposit, please ask for a written confirmation and how you will get your deposit back? Would you get your deposit back even if you were not able (travel restrictions etc.) to show up?

If you must pay rent up front, please ask what would happen in case you won't be able to show up, due to travel restrictions or other reasons?

Ask about cancellation fees and make sure to know your rights in case you do have to cancel your stay or parts of your stay.
