Hygiene measures for election of the Austrian Students' Union 2021

Due to the ongoing Covid-19 pandemic, strict hygiene measures will be taken for the 2021 elections to significantly minimize the risk of infection during the ballot. In principle, the hygiene measures of the university are to be observed. In addition, voters should consider the following precautions:

• **Wear FFP2 mask** when entering the polling station.
• **Disinfect your hands** before entering the polling station.
• **Please enter the polling station one by one, keep two meters distance.**
• **Independent presentation of the ID** in such a way that the identity is visible to the election commission or the sub-election commission. If necessary, the FFP2 mask must be removed briefly. Handing over the photo ID to the members of the election commission or the sub-election commission avoided.
• Please **bring your own pen/biro**. If necessary, you will be given a pen to take with you after the voting session.
• **Drop the ballot envelope** into the ballot box **yourself**.
• **Leave the polling station immediately** after the voting process.
• **Avoid clusters** in front of or near the polling place.
