As an International University we know exactly how hard it can be to get funds for your studies, but we can assist and guide you on this journey. We are here to provide individual assistance to support you in exploring non-CEU related funding courses. We have collected multiple reading materials, scholarship search engines and even some opportunities. Several external funding opportunities are available both globally and regionally. In this brochure, we have collected some of these external scholarship options for you.
ARE YOU FROM NORTHERN AMERICA? ARE YOU LOOKING FOR AN INTERNATIONAL EXPERIENCE? WOULD YOU LIKE TO STUDY ABROAD?
You can study in Austria while receiving external financial support. There are multiple financial aid funding opportunities available for all international students, including you! In this brochure, we have selected several external financial aids from Northern America. You may want to visit our 'Global Opportunities' flyer as well where you can find further financial resources globally.
