

# BIKE PUMP USER GUIDE

Please take advantage of this bike pump to ensure that your tires are properly inflated before riding. We encourage you to use this pump properly and with care:

**For PRESTA (thin) bike valves:** attach/screw in Schrader labelled end of gold valve to the end of the bike pump, thread end labelled "PRESTA" to the valve on your bike tube, then pump

TO END  
OF PUMP

TO VALVE  
ON BIKE TUBE

**For SCHRADER (wide) bike valves:** attach/screw in PRESTA labelled end of gold valve to the end of the bike pump, thread end labelled "SCHRADER" to the valve on your bike tube, then pump

TO END  
OF PUMP

TO VALVE  
ON BIKE TUBE
