   **Important:** Your insurance starts automatically on September 1, 2021. In case of a significant delay, please contact your Department Coordinator about the planned arrival date in Vienna.

2. **Confirmation**
   
   You will receive an e-mail with your digital private insurance card (Please also check your SPAM folder).

   It contains your personal insurance number to be used for medical services. Save it on your digital device to access it quickly when needed (e.g. photo on your phone or saved as a note).

Travel Insurance for incoming students

Purpose
If you are arriving in Austria sooner than the start date of your “CEU Health Insurance”, you are recommended to insure yourself with the "Travel Insurance for Incoming Students" at your own expense.

Order
The travel insurance can be purchased for up to 180 days. You can choose a specific “Start Date” and “End Date” for the amount of days you need. Meaning, from the date of entering the country until August 31, 2021. This is the start date of your “CEU Health Insurance”.

Purchase is done entirely online and you can pay via credit card.

Confirmation
You will automatically receive the insurance policy and confirmation via e-mail within the same day of purchase (Please also check your SPAM folder.)

Cancellation
No cancellation is necessary, it expires on the selected “End Date”.
LARA Network: Direct billing network

Within the LARA Network all the doctors, pharmacies and laboratories speak English and will charge the insurance company directly when you use their services. Hence, there is no need for you to pay neither the medical service nor the medication. You can still visit any doctor of your choice (both public and private), however you will have to prepay and get a refund.

How to use

1. Visit https://larapartnernetzwerk.at/
2. Type in Vienna (Wien) for location.
3. Search by type of doctor you need.

Use the digital map to find the closest doctor to your location. We recommend you search within all of Vienna instead of your district, as often there will be a doctor that is closer to you but is in a different district.

Refund

If you use medical services outside the network, please ask the receipt with the diagnosis from the doctor. Then simply upload it online under the “Request Refund” button. Enter your own bank account information to get the refund. Refunds can be made to any international bank account but we highly recommend to have an Austrian or other European bank account for ease and speed of processing.

24-hour English-speaking call center

You can call the UNIQA 24-hour insurance call-center assistance. They can assist you in English with any insurance or Lara Network specific questions.
