World Food Day • 16 October 2013
Sustainable Food Systems for Food Security and Nutrition

Food Drive • Mon - Fri • Laptop Area
Donate food to the local chapter of Food not Bombs!

Interactive Info Zone and Poster Exhibition • Wed & Thu • Octagon
Calculate the environmental, social, and health impact of your diet. Find out about conscious food options in the city and pledge your food goals! Exhibition provided by Kulturgorilla, a local design association.

Panel Discussion and Reception
Food for Thought • Thu • Auditorium
Guests will represent growers, conscious consumption activists, citizen coordinators, and researchers who have been striving to define and construct healthy and sustainable food systems within the region. A potluck reception will follow, so don't forget to bring a dish!
