What role does history play in shaping contemporary debates? How can history integrate non-Western representations of the past? How did 16th-century social media create and shape human relations and communities? How did the Jewish memory of the Holocaust become a global model for historical trauma? How does the comparative study of empires help us understand geopolitical strategies? How did the history of migration across and around the Mediterranean help...
SPARK YOUR CAREER
WHERE OUR MASTER’S GRADUATES WORK

FUND YOUR STUDIES
Access to education is one of CEU’s core values. It guides us in setting as affordable tuition fees as possible – without impacting the quality of the education we provide. Each year CEU offers talented master’s students generous, merit-based, partial tuition awards and scholarships to help them focus on their studies. • Doctoral scholarships include a full tuition award and a monthly stipend for living expenses.
