"I feel very lucky to have been a part of CEU's History Department. Being interested in the history of Soviet architecture, I have gained a lot of inspiration from faculty and fellow students doing their own research in various fields. Working with them, I have developed a more nuanced perspective on my work and learned a lot about new historical contexts and approaches. CEU is a perfect place for such exchange, debates and making friends for life." KSENIA LITVINENKO *Russia*
