ADELA DANAJ / ALBANIA

"Studying at the Department of Political Science is challenging but also highly motivating. The faculty and colleagues have greatly inspired me both as a person and as a researcher. What I have learned in the past two years and whatever I accomplish in my future career will have CEU's imprint. In this multicultural environment I have also grown a lot as a person and I will be forever grateful for all the people I had the chance to meet here and work with."

Master of Arts in Political Science ONE YEAR / The program comprises a comprehensive and interdisciplinary curriculum in contemporary political issues and research methods. It focuses on comparative politics and political economy, normative political theory and the study of democracy.

Master of Arts in Political Science TWO YEARS / The program is designed for students with a three-year bachelor's degree in the social sciences and related disciplines. Students have the opportunity to explore comparative politics, political economy, political communication, political theory, and quantitative and qualitative research methods.
