MA in Public Policy (MAPP) / 1 YEAR / This intensive program gives you a solid grounding in the key themes and theories of public policy, with a strong focus on the link between policy practice and analysis. Designed to respond to contemporary policy issues, our curriculum is structured to enhance your research, systematic and critical analytical skills. Participating at a Policy Lab or an internship will provide an opportunity to apply your practical research and analytical skills in a professional policy environment. ➜ dpp.ceu.edu/mundus-mapp

Master of Public Administration (MPA) / 2 YEARS / Bridging classroom and experiential learning, this program’s interdisciplinary approach covers a broad range of topics that provides you with the skills and knowledge to make a positive change in the public sector. The Skills for Impact component equips you with important skills in areas such as conflict resolution, fundraising, media advocacy, and managing cultural diversity. You also learn how to work in a team on a project for an external client during the year-long capstone Applied Policy Project. ➜ dpp.ceu.edu/mpa-degree

Executive Master of Public Administration (EMPA) / 2-4 MONTHS / This new and dynamic, problem-focused program empowers graduates to address the complex challenges faced by today's public policy makers. Working in a divided world where even the most solid of democracies may become fragile, and many of the established institutions and patterns of authority have been destabilized and challenged, today's policy makers operate in a fluid environment where transformations are taking place at an unprecedented scale. EMPA is aimed at professionals who wish to combine leadership and smart policy making with a commitment to social change, and at those who want to support the building of open and democratic societies. ➜ dpp.ceu.edu/executive-master-public-administration-empa

ERASMUS MUNDUS MASTERS PROGRAM IN PUBLIC POLICY (MUNDUS MAPP) / 2 YEARS / This international public policy program offers a mix of analytical and practical components, such as internships and study visits, and includes a second year at the Institut Barcelona d’Estudis Internacionals or the University of York. You can tailor your studies to suit your career thanks to our flexible system of tracks and electives. ➜ mundusmapp.org

PhD in Political Science – Public Policy Track / Designed for students interested in researching the causes, functions, nature and outcomes of public policy, this program prepares you for a career in academic and applied research institutions, as well as for policy analyst positions. The program is run by CEU’s Doctoral School of Political Science, Public Policy and International Relations. ➜ dpp.ceu.edu/phd-political-science-public-policy-track

For me, the exposure to different disciplines within the Department of Public Policy really broadened my understanding of public policy issues. The diverse career and academic backgrounds of the professors as well as the colleagues I can now call friends challenged me not only on a professional level but also on personal and cultural levels. The combination of analysis from a perspective of management, finance and human rights allows me to frame solutions to problems in ways I never thought of before. — LAURA RAMIREZ RIVERO
