QS WORLD UNIVERSITY RANKINGS 2022 IN SOCIOLOGY

MA in Sociology and Social Anthropology / 1 YEAR / This intensive program uses a historical-comparative framework, grounded in empirical research, to broaden your knowledge of social structures and processes, including social theory, migration, religion and secularism, ethnicity, cultural policies, gender, class, globalization, modernity, urban development and state research.

→ courses.ceu.edu/programs/ma/master-arts-sociology-and-social-anthropology-one-year

MA in Sociology and Social Anthropology / 2 YEARS / With a strong, extensive research component, this program is recommended as a stepping stone for PhD studies to candidates interested in global and urban issues, particularly on how political, economic and social structures interact on urban, local and global scales.

→ courses.ceu.edu/programs/ma/master-arts-sociology-and-social-anthropology-two-year

PhD in Sociology and Social Anthropology / The doctoral program encourages theoretically driven empirical research that embraces cross-disciplinary perspectives on a wide range of topics related to the department's expertise. A year of rigorous, yet flexible, coursework will prepare you for a year of research, followed by an extended period of writing and professional development training.

"Joining CEU's Department of Sociology and Social Anthropology for my master's studies was the best decision I could have made, and the time I have spent here has turned out to be the most intellectually stimulating phase of my life. The faculty have wide-ranging expertise, and I have become particularly drawn to post-colonial studies. I appreciate the financial and academic support I received from the university, and I am very excited about the doors this experience has opened for me."

NAMWAR YUSUF RAHMAN *Pakistan*

BECOME TRAINED IN
